- A. Policy for reporting criminal actions or other emergencies occurring on campus: Students and/or staff should report any criminal action or other emergency directly to the Director of the Academy. If not available, report to an educator or staff member. Upon receipt of such a report the staff will notify local police or deal with the problem personally.
- B. Policy concerning security and access to facilities: Staff members wait for all students to leave at the close of the day. The building is then locked until the next business day. The owner and limited staff members have keys to the building. The cleaning service works at night on the weekends and is the only non-staff person to have keys.
- C. Policy concerning campus law enforcement: The campus is small enough not to warrant special security personnel. Any criminal activity is reported directly to the owners who have a good working relationship with the local police.

Description of programs about security: The Academy provides each student with a copy of the Policies and Procedures on the first day of class. During its discussion students are informed of security policies and procedures as well as suggestions for keeping themselves and their personal belongings protected. The Academy has a “No Weapons” policy. The Academy web site has information about sexual misconduct and security policies. <https://summitsalonacademykc.com/images/The%20Summit%20Kansas%20City%20-%20Title%20IX%20Sexual%20Misconduct%20Policy.pdf>

- D. Description of programs on prevention of crime: The Academy hosts a short seminar on an annual basis to educate staff and students about personal safety.

K. EMERGENCY RESPONSE & EVACUATION PROCEDURES

Staff and students should immediately notify the Academy Director, or any Educator in the event of a significant emergency or dangerous situation. Upon confirmation of the situation an announcement may be made over the intercom giving directions for student, staff and client conduct. In case of fire, students should notify staff and evacuate the building to a safe distance for roll to be taken. In case of a tornado, students and clients should proceed to the downstairs classroom until safe. Roll will be taken. In case of unforeseen emergency – notify the Director, or any Educator, who will determine necessary action.
