The Academy prohibits bringing any weapon or anything that could be used as a weapon onto the Academy property. No student or non-student, including visitors, shall possess, use, or distribute a weapon when in and around a campus location. The Academy will act to enforce this policy and to discipline or take appropriate action against any student, employee or member of the public who violates this policy. A “Weapon” means any object, device or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury. No person shall use articles designed for other purposes (i.e., belts, toys, combs, pencils, files, scissors, razors, etc.), to inflict bodily harm and/or intimidate and such use will be treated as the possession and use of a weapon. Any student who does not follow this policy may be suspended or terminated.

DRUG FREE SCHOOL

The Summit Salon Academy Kansas City has adopted standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students or employees on its property or as part of any of its activities, including lunch. During enrollment, this policy is explained, students receive a copy and sign to acknowledge a willingness to comply. The Academy provides students and staff with names, addresses and phone numbers of treatment facilities. The Academy reserves the right to require random drug or alcohol testing of students and/or staff should the need arise.

The Academy has available a phone number for Apartment Search in the area. The staff will be happy to assist the student, as much as possible with housing information. For students without their own vehicle, the Kansas City Metro Bus Line travels through Independence. Taxi and Uber services are available. Transportation costs per five-day week for commuting students will vary, approximately, from \$10.00 for a student living in Independence to \$45.00 for a student driving a longer distance.

STUDENT PARKING

Student parking is anywhere on campus, excluding the front parking lot, which includes the first 3 parking spots on the North side as you enter the lot off 23rd Street. These parking spots are reserved for our guests.

PHONES

Students are called to the business phone for emergencies only. Calls or messages for students are screened by a staff member prior to interrupting a class or guest service.

Cell phones may be used in the student salon for the purpose of taking guest photos for social media. Cell phones are allowed in the student lounge and should always be on vibrate. NO calls or texting in class or in the student salon. Students may not leave class to make or receive cell phone calls or texts unless it is an emergency.

LOCKERS

Lockers are provided for students' own equipment and personal property. Keep notebooks and books in lockers when not in use. Lockers and kits may be inspected at any time. Purses should be kept locked up. The school is not responsible for any lost or stolen articles. Tools/iPad/books lost or damaged must be replaced at the student's expense. Students are responsible for shared Academy equipment and their own personal property. No equipment or supplies may be taken from the Academy at any time and may result in suspension time if it happens. Your license is only good at the Academy. You cannot legally perform services outside of the Academy. [20CSR 2090-11.010 Sanitation (2) G]

FRONT DESK

The front desk is a place of business. Making appointments for guests, checking the appointments you have for the day or selling products to your guest are the only reasons for you to be at the desk. Please do not hang out and get in the way of guests needing to do business.

STUDENT SALON

Your time in the Student Salon is meant to prepare you for building a clientele in your future salon or spa. Guests are your responsibility. We expect you to be on time, every day, ready to learn through classroom study and practical work. Students may not move appointments because they do not want to do a service. A student who refuses to do a guest must clock out and go home. A student may only be excused from providing a service to a guest by providing a specific Doctor's note which includes a reason for the exclusion. Religious/cultural accommodation will be allowed for predetermined special circumstances. Students must charge **all** guests for **all** services performed. Failure to do so is considered theft. If it is determined that the failure to charge for services is intentional, the student may be suspended. If pricing adjustments need to be made, please ask a staff member to do it.

When students are not giving a service to a patron, they are to be fulfilling requirements on their project sheets and/or practicing on each other. Project sheets provide the student's practical grade. Any student who gets behind on project sheets or makeup tests may not receive personal services until projects and/or tests are caught up.

PERSONAL SERVICES

Students are allowed personal services at discounted student pricing. **Student services MUST be scheduled and must be paid for in advance** as well as approved by your educator. Any changes to the initial service must be made in the computer system. Failure to pay for services or retail products is considered theft. If a student is involved in a theft, they may be suspended, and disciplinary procedures will be initiated. **Because of OSHA laws and requirements, only products chosen by the Academy with the required Safety Data Sheets (SDS) can be used on customers or students.**

CLEAN UP DUTIES

Keeping the Academy clean is part of the training in how to keep a Beauty Salon or Spa clean and presentable to the public. State Law requires that students spend a designated amount of time performing sanitation and sterilization and is accounted for on the Time Sheet. Therefore, students are assigned a cleanup job to be performed daily for their full enrollment time. Personal work areas must be cleaned and kept neatly arranged during and after a service is completed. All equipment/products are to be cleaned and placed back in storage areas.

PROFESSIONALISM

Students are expected to follow all Academy policies, as they deal with the professional development of the student, which leads to a highly successful career in our industry. Students are expected to participate in all classroom and clinic activities. A student may only be excused from participating in class by providing a specific Doctor's note which includes a reason for the exclusion. (Religious/cultural accommodations will be allowed for predetermined special circumstances.) Violations of policies may result in disciplinary action, suspension and/or termination. Time missed for suspensions will be counted as absent. Students are expected to be friendly, to show respect and consideration for others.

Eating and drinking are permitted in the lounge only. No eating/drinking on the student salon or in the classroom. Smoking is permitted outside and only on the West side of the building.

APPAREL CODE

The Academy apparel is solid black scrubs for all programs. Your scrubs must be completely black with **no logos, colored designs, or branding** outside of the Academy name. All students must wear black aprons over their black scrubs while performing services, except for nail students, as aprons are not required for their work. A name badge is provided and is to be always worn. If it is lost, the student must pay for a replacement badge. Academy branded clothing is allowed to be worn. Clean, scuff-free shoes are required, and open-toed shoes are not allowed. A black, gray, white, or combo of those colors under shirt, can be worn under your scrub top. Scrubs must be in good condition, clean and wrinkle-free and fit properly.

The following items cannot be worn: Hooded sweatshirts over or under your scrub top, low cut tops, and biker shorts. If makeup is worn, it must be applied prior to entering the Academy. The student clocks in for the day in full dress code with hair and make-up finished. Hair must be clean, dry, and finished in a style. No hats or caps. Hair accessories are acceptable. Head wraps must be black, white or gray in color. Be creative with jewelry.

Any student not meeting dress code requirements (as determined by the staff) will not be allowed to earn future hours. Absence time will be counted and documented in the student file. If there is a second violation the student will be sent to the Academy Director to have a conversation about their commitment to the program. The Director has the right to dismiss or suspend a student for not following the Academy policy. Remember: When in doubt: dress UP, not DOWN!

Fingernails - (Male and Female) All student's nails should be kept manicured and presentable to the public. Nails are to be kept at a manageable length so all services can be performed without interference. CIDESCO requires that Estheticians "Fingernails should be kept clean and short to allow easy cleaning. Nail enamel should not be worn." [CIDESCO Hygiene Guidelines; Section 3.2 General Hygiene]

TIME CLOCK

It is the **responsibility of the student** to successfully time in and out at the appropriate times (arrival, lunch out, lunch in, exit). Each student may time only him or herself IN and OUT. A student is allowed a 30 min lunch each day and must clock out for this lunch as well as notify the front desk to block them out for their lunch. If a student is on the clock, they are available for guest services and to help with anything an instructor needs. Failure to time in and out for the day, break in and out for lunch, or leave campus while clocked in could result in not receiving credit for those hours and possible suspension time.

It is the student's responsibility to review their FAME mobile student app daily and to notify their educator of any time discrepancies. Hours are available for verification and correction for one week (unless the student is absent for that week.) After the available week the hours are posted and may not be changed. Violations of attendance policies may result in a write up, suspension or termination. Also, to qualify for CIDESCO, the student must graduate from our esthetics program with a minimum 85% GPA and minimum 85% attendance averages. To graduate from the Academy, you must have a minimum GPA of 80% and a minimum attendance average of 75%.

HOURS

Students need to be in the building ready to go by 9:00am. School is dismissed at 4:30pm (full-time day program) 2:00pm (part-time day program). Students may not leave the premises without permission and without timing out. Students are allowed a 15-minute break in the morning and 15 minutes again in the afternoon (daytime program). Students are required to take a 30-minute lunch when attending a 7-hour school day. If a student will be late, or absent, they must call or text **816-252-4247 before 9:00am**. The Academy requires the student to fill out a Leave Early Form, found at the front desk, and then hand it to their educator. This request must be signed by an Educator. Approval is based on the student's previous attendance. If a student is absent without notice for 2 weeks, the Academy is required by the State Board of Cosmetology and Barber Examiners to terminate the student's enrollment. [20CSR2085-12.010 (9)(C)1.] If a student misses too many hours of educational training, the student may be terminated.

NO CALL/NO SHOWS

If the student does not call or text on or before 9:00am, they will be recorded as a "No Call/No Show." After 3 "No Call/No Shows" a **written warning** will occur and become part of the student's permanent file. After 6 "No Call/No Shows" a **second written warning** will occur AND the student could be suspended for one day. Absent time would count. After 9 "No Call/No Shows" the student will receive a third written warning, and their enrollment could be **terminated**. (The student may re-enroll after 3 months.) The student must provide phone records (in a timely manner) if there is a dispute about a "No Call/No Show" finding.

ATTENDANCE, TARDIES AND ABSENCES

Students are expected to be in attendance every day to fully take advantage of the education for which they enrolled. The minimum attendance average, to maintain Satisfactory Academic Progress and for financial aid students to remain eligible for financial aid, is 75%. Per the US Department of Education, students must complete within 1 1/3 times the length of their course (Maximum Time Frame). It is the responsibility of the student to time in and out at the appropriate times. If an error occurs, the student is given limited opportunity to correct it. Each student may time only him or herself IN and OUT. Habitual or serious violations of attendance policies may result in suspension and/or termination. If a student is absent without notice for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment, as is required by the State Board of Cosmetology and Barber Examiners. If a student misses too many hours of educational training, the student may be terminated.

LEAVE OF ABSENCE POLICY

An authorized Leave of Absence (LOA) is a temporary interruption in the student's course/program of study that has been approved by the Academy. The LOA refers to a specific period of time in which a student is not in attendance. An LOA is not required during an institutional break, however; a scheduled break may occur during an LOA. An LOA must meet certain conditions to be counted as a temporary interruption instead of being counted as a withdrawal, which would then require the Academy to perform a withdrawal calculation. The Academy will not assess the student any additional charges as a result of the LOA. A student who must take an approved Leave of Absence (LOA) or must withdraw from training for nonacademic reasons may return to the Academy with no loss of SAP if the student was making SAP when the student left.

To qualify for an authorized LOA:

- The student must follow the Academy's Leave of Absence Policy when requesting an LOA.
- A student may apply for a leave of absence on a form supplied by the Academy.
- There must be reasonable expectations that the student will return from the LOA.
- The LOA must be requested and approved in writing according to the Academy's LOA Policy and prior to LOA occurring unless there is an unforeseen circumstance that would prevent the student from requesting in advance.
- The student is required to list the reason for the LOA.
- The Academy will determine if the reason stated meets the criteria for an LOA
- The LOA must be dated and signed by the student.
- The Academy may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if:
 - a) The institution documents the reason for its decision;
 - b) The institution collects the request from the student at a later date; and
 - c) The institution establishes the start date of the approved LOA as the first date the student was unable to attend.

A student granted an LOA in accordance with the Academy's policy is not considered to have withdrawn, and no refund calculation is required at that time. A student may be granted a LOA for any of the following reasons:

- Medical Issues
- Military Requirements
- Jury Duty
- Mitigating Circumstances beyond the Student's Control

A leave of absence extends the students contract period and maximum time frame by the same number of calendar days taken in the leave of absence without penalty to the student. Changes to the contract period on the enrollment agreement must be acknowledged by an addendum and must be signed and dated by all parties. The day the student returns from a LOA, the student is required to inform the financial aid/education office of their return. If the student does not return from an approved LOA, at the expiration of the LOA, the withdrawal date for the purpose of calculating a refund is always the last date of attendance.

A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 calendar days in any 12-month period. If the student is receiving federal funds, no federal aid loan payments will be disbursed during the LOA. If the student takes an unapproved LOA or does not return from the LOA on the return date stated on the LOA documentation, the student will be dropped from the Academy and the student's withdrawal date for the purpose of calculating a refund will be the student's last day of attendance.

STUDENT CONDUCT / WITHDRAWAL / TERMINATION POLICY

Students may be suspended or terminated from school if they violate the policies and procedures. All Policies and Procedures published within this catalog are explained thoroughly to students. If a student's conduct or grades do not meet the rules, regulations, or requirements of the Academy, a meeting will be held with the student. The student is given an opportunity and reasonable time to correct the problem. If the student does not correct his/her individual shortcoming, she/he may be terminated. If an account must be turned over to a collections firm, the student will be charged the collection fees. Additionally, if the Academy retains counsel to assist in enforcing or defending any disputes arising out of or related to the Academy, Academy shall recover its reasonable costs, expenses and attorney fees associated with such dispute. If a student is absent without notice for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment.

STUDENT FILES AND PRIVACY RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. Except for the special conditions described below, a student (or Parent/Guardian of a dependent minor) must provide a signed and dated written consent before the Academy may disclose information from the student's records. The consent must state the purpose of the disclosure, specify the records that may be disclosed and identify to whom the disclosure may be made. The Academy does not publish a directory of student information.

Student files are the property of the Academy. However, students have the right to inspect and review education records maintained by the Academy. The Academy may charge a fee for copies. Student files are maintained for a minimum of ten years.

FERPA regulations list several conditions under which personally identifiable information may be disclosed from a student's education record without the student's written consent. They include, but are not limited to:

- a. School officials with legitimate educational interest.
- b. Accrediting organizations.
- c. Licensing Boards or Certificate granting agencies.
- d. Specified officials for audit or evaluation purposes.
- e. In connection with financial aid the student has received or applied for, if the information is needed to determine the amount of aid, conditions for the aid, student's eligibility for the aid, or to enforce the terms or conditions of the aid.
- f. To comply with a judicial order or lawfully issued subpoena.
- g. Other schools to which a student is transferring.
- h. To employees of the US Dept. of Education (USDE), Office of the Inspector General, and other federal, state, and local education authorities in connection with financial aid and for the enforcement of laws and regulations relating to aid.
- i. To authorized representatives of USDE to evaluate financial aid procedures using student information provided by schools selected for the study.

STANDARDS OF PROGRESS, ADVISING AND GRADING

Grade records are kept for each student. Students are graded on written (theory) and practical work. Written tests are given over the theory subjects as they are covered. Tests occur approximately once a week.

Students are given the opportunity to improve their scores. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course. Each completed project is initialed by an Educator. Designated projects must be graded before the project can be signed off. The student is given a grade on each completed Project Sheet. Students receive two copies of an evaluation report monthly, defining attendance, grade point average, services completed, and chapter scores. One copy must be signed, returned, and placed in the student's file. Students are assigned to an Educator for advising and to turn in weekly Time Sheets. Students are advised by any staff member, as necessary, regarding grades, attitude, attendance, and appearance.

Grades are recorded as follows:

Satisfactory - 80 and higher **Failing – 79.9% and below**

SATISFACTORY ACADEMIC PROGRESS POLICY

This policy applies to all students, whether enrolled full-time or part-time and is provided to enrollees via the catalog prior to signing the Enrollment Agreement.

1. In order for all students to “maintain satisfactory academic progress” and remain eligible for financial aid, they must:
 - A) Maintain a cumulative attendance average of 75% of the clock hours for which they contracted.
 - B) Maintain a cumulative, combined written and practical grade average of 80%.

Tests are given over the theory subjects as they are covered. Tests occur approximately once a week. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course. Each completed project is initialed by an Educator. Designated projects must be graded before the project can be initialed. The student is given a grade on each completed Project Sheet. Eighty percent is passing on both the written and practical scores.

Grades are recorded as follows:

Satisfactory - 80 and higher Failing - 79 and below

2. Maximum Time Frame

Students must complete their course within 1.33 times the length of the course in order to remain eligible for financial aid. A student who does not complete within the Maximum Time Frame may be terminated.

The maximum time to complete each course for Satisfactory Academic Progress is stated below:

Course	Length	Time Allowed <i>Scheduled Hours</i>
Cosmetology	(Full time, 35 hrs/wk) - 1,500 hours	1995
Esthetics	(Full time, 35 hrs/wk) - 750 hours	997.50
Instructor Training	(Full time, 35 hrs/wk) - 600 hours	798
Nail Technology	(Full time, 35 hrs/wk) - 400 hours	532
Barber Crossover	(Part time, 23 hrs/wk) – 45 hours	59.85

3. Students meeting satisfactory academic progress requirements at evaluation check points* are considered to be making satisfactory progress, and meeting the maximum time frame requirement, until the next evaluation. The Academy operates all programs according to a 900-clock hour academic year over 26 academic weeks of instruction. Students receive written notification of their status after reaching each evaluation check point.

***Evaluation Check Points**

Scheduled time is what the student could have earned by a specific time frame. Actual time is what the student has completed (not counting absent time). Students are evaluated on the following actual hours once the associated minimum weeks have also been completed. All evaluations are completed withing seven school business days following the established evaluation periods:

<u>Cosmetology</u>	Students are evaluated at 450 hours/13 weeks, 900 hours/26 weeks, and 1200 hours/35 weeks.
<u>Esthetics</u>	Students are evaluated at 375 hours/11 weeks
<u>Nail Technology</u>	Students are evaluated at 200 hours/6 weeks
<u>Instructor Training</u>	Students are evaluated at 300 hours/9 weeks
<u>Barber Crossover</u>	Students are evaluated at 22.5 hours/1 week.

4. A student who has returned from an interruption in their training (ex. Leave of Absence or termination and re-enrollment) shall be placed in the same satisfactory academic progress status as prior to their interruption. The course completion time will be extended, if applicable. (A Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken on leave.) Course incompletes, withdrawals, repetitions, and non-credit remedial courses do not apply to this institution and have no effect upon satisfactory academic progress standards.
5. A student whose satisfactory academic progress percentage falls below the required minimum, the student is notified in writing and is placed in a WARNING status until the next evaluation. Students may re-establish satisfactory academic progress and Title IV aid, if applicable, by improving cumulative test scores and/or improving cumulative attendance to meet the minimum academic and/or attendance requirements by the end of the warning period, probationary period, or period where the student has been deemed not making satisfactory academic progress. A student placed on warning may still receive any Title IV funds that s/he may be eligible for. If the student meets the requirements at the next evaluation, s/he is considered to be making satisfactory progress once again.
6. Failure to raise the averages to the required level(s) by the next evaluation means the student is not making satisfactory academic progress and is not eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.
7. If the institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning period and determines that satisfactory progress standards can be met by the end of the subsequent evaluation period, a student may qualify for PROBATION in order to have Title IV Financial Aid funds reinstated. The institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institutes satisfactory academic progress requirements by a specific point within the maximum time frame established for that student. In order to qualify, a student must prevail upon APPEAL of a negative progress determination. To prevail upon appeal, the student must: a) provide a written appeal of the negative progress determination within 5 school days and b) provide a plan that details how s/he will be able to meet satisfactory academic progress by the end of the next evaluation period. Students may only make an appeal for these reasons: a) death of a close relative, b) serious injury or illness of the student, or c) other allowable special circumstances. The written appeal must include the reason the student failed to make satisfactory academic progress, any documentation supporting this reason and what has changed that will allow the student to achieve satisfactory academic progress by the next evaluation.
8. An appeal hearing will take place within ten (10) days of receipt of the written appeal. The Academy will determine if the student can meet satisfactory academic progress standards by the next evaluation. A decision on the appeal will be made within three (3) school days and will be communicated to the student in writing. This decision will be final.
9. Successfully prevailing upon appeal will result in a status of PROBATION which allows Title IV Financial Aid to be immediately reinstated.
10. If the student fails to prevail upon appeal s/he will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.
11. Appeal documents and decisions are kept in the student financial aid file.
12. A student placed on an Academic Plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. A student who is progressing according to his/her specific academic plan will be considered making satisfactory academic progress and is eligible for financial aid.
13. Transfer hours are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours. Transfer hours are evaluated by the midpoint of contracted hours or by the above stated check points, whichever comes first.

REFUND POLICY

The following policy will apply to ALL terminations for any reason, by either party, including student or Academy decision, course cancellation or Academy closure. Any monies due the applicant or student shall be refunded within 30 calendar days of official cancellation or termination. The date of a withdrawal, whether officially or unofficially, shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate or the date a student is terminated by the Academy or the date it is determined that a student does not return after the expiration of a Leave of Absence or the date it is determined that a student has withdrawn without notification. (If a student is absent without notice, for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment, as is required by the State Board of Cosmetology and Barber Examiners. Refunds are calculated based on the student's last date of attendance and actual hours. Unofficial withdrawals will be determined by the institution by monitoring attendance daily.

1. An applicant not accepted by the Academy is entitled to a refund, within 30 days, of all money paid, except for the \$100 application fee.
2. A student (or in the case of a minor student, his or her parent or legal guardian) cancels his/her enrollment and requests his/her money back in writing, within three business days of signing the enrollment agreement regardless of whether the student has started training, all money collected by the Academy shall be refunded within 30 days, except the \$100 application fee.

4. A student notifies the institution of his/her withdrawal.
5. A student on an approved leave of absence notifies the school that he or she will not be returning. The date of withdrawal determination shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by the school.
7. In type 2, 3, 4, or 5 official cancellations or withdrawals, the cancellation date will be determined by the postmark on written notification, or the date said information is delivered to the school in person.

For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on actual hours:

PERCENT OF ACTUAL TIME ENROLLED TO TOTAL COURSE/PROGRAM	TOTAL TUITION SCHOOL SHALL RECEIVE/RETAIN
0.01% to 04.9%	20%
5% to 09.9%	30%
10% to 14.9%	40%
15% to 24.9%	45%
25% to 49.9%	70%
50% and over	100%

The Academy's refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order:

1. To Federal Direct Student Loans (unsubsidized then subsidized)
2. To a Federal Direct Plus Loan
3. To the Pell Grant
4. To the Supplemental Grant (SEOG)
5. To other Title IV Aid
6. To other Financial Aid
7. To the Student

All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 30 calendar days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

If the course is canceled subsequent to a student's enrollment, and before instruction in the course/program has begun, the school will either provide:

- a full refund of all monies paid OR
- completion of the course/program.

If the school cancels a course/program and ceases to offer instruction after students have enrolled and instruction has begun, the school shall provide:

- a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR
- provide completion of the course OR
- participate in a Teach-Out Agreement OR
- provide a full refund of all monies paid

If permanently closed and ceases to offer instruction after a student has enrolled and instruction has begun, the school will provide:

- a pro rata refund of tuition to the student OR
- participate in a Teach Out Agreement.

This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in the enrollment agreement.

If the terminating Student has opted to purchase textbooks and equipment from the Academy, they may not be removed from the premises until all money owed to the Academy has been paid. Textbooks, tools and equipment are non-returnable and non-refundable. A student who purchases textbooks and equipment elsewhere may remove them.

If an account must be turned over to a collections firm, the student will be charged all collection fees incurred. Additionally, if the Academy retains counsel to assist in enforcing or defending any disputes arising out of or related to the Academy, Academy shall recover its reasonable costs, expenses and attorney fees associated with such dispute.

The Enrollment Agreement signed prior to starting class constitutes a legal, binding contract even when Financial Aid funds do not cover the amount owed by the student.

RETURN OF TITLE IV FINANCIAL AID

Federal regulations require the return of portions of Title IV financial aid “unearned” by students who withdraw from classes or are terminated by the Academy. If the hours scheduled to be completed by the student on his or her last date of attendance are less than 60 percent of the program hours in the payment period, a portion of aid awarded to the student is considered unearned and must be returned to its source.

To determine the basic amount that must be returned, the formula divides the number of hours the student was scheduled to complete by the total program hours in the payment period. The amount of financial aid awarded is multiplied by this percentage and the result is subtracted from the Title IV aid awarded to determine the dollar amount to be refunded.

If 60 percent or more of the hours were scheduled to be completed, the student is considered to have earned 100 percent of the aid awarded for the period. There may be a gap between what the Academy may charge the student and the financial aid that is available to pay the charges after the Title IV funds are returned. Because of this, the student may be required to repay some of the funds received in addition to the amount the Academy must return. The Academy’s refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order:

1. To the unsubsidized Federal Direct Student Loan
2. To the subsidized Federal Direct Student Loan
3. To the Federal Direct Plus Loan
4. To the Pell Grant
5. To Supplemental Grant (SEOG)
6. To other Title IV Aid
7. To other financial aid
8. To the Student

All refunds are made within 30 days of formal termination, cancellation by the student or determination by the Academy that the student has withdrawn without notification.

Direct Loan refunds are deposited back to the appropriate bank account, the Academy’s third-party servicer is notified, who then notifies the Department of Education that those funds are available for retrieval and the borrower’s account is adjusted accordingly. The student receives documentation at their Exit Interview.

If it is determined that a withdrawn/terminated student qualifies for a post withdrawal loan disbursement, the Academy will notify the student in writing with the amount and type of financial aid loan disbursement. The withdrawn/terminated student is given a choice of accepting all the funds, accepting a portion of the funds, or declining all the funds and requesting that the Academy return the balance to the appropriate financial aid source. If the student does not respond within 14 days, the funds are returned to the original source. If an overpayment of Pell Grant funds occurs after a student’s termination, the student will be informed in writing, within 30 days, and must make repayment arrangements of the Pell overpayment within 45 days. Upon receipt of the repayment, the Academy will forward the funds to the Department of Education. If the student fails to make repayment arrangements, the Academy will refer the student to the Department of Education. The student will lose eligibility for additional Title IV funds.

The date of withdrawal/termination shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate, or the date a student is terminated by the Academy, or the date it is determined that a student does not return after the expiration of a Leave of Absence, or the date it is determined that a student has withdrawn without notification.

EMPLOYMENT ASSISTANCE (PLACEMENT)

The Academy provides access to information about salons and spas that are in need of an employee. It is recommended that each student visit salons and spas while they are attending school.

- Allow for collaboration
