RELEASE OF STUDENT INFORMATION

Information from files of any student will not be released without the written consent of said student (or Parent/Guardian of a dependent minor) which must include the date, the purpose of the disclosure, what information may be released and to whom.

STUDENT FILES AND PRIVACY RIGHTS

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. Except for the special conditions described below, a student (or Parent/Guardian of a dependent minor) must provide a signed and dated written consent before the Academy may disclose information from the student’s records. The consent must state the purpose of the disclosure, specify the records that may be disclosed and identify to whom the disclosure may be made. The Academy does not publish a directory of student information.

Student files are property of the Academy. However, students have the right to inspect and review education records maintained by the Academy. The Academy may charge a fee for copies. Student files are maintained for a minimum of ten years.

FERPA regulations list a number of conditions under which personally identifiable information may be disclosed from a student’s education record without the student’s written consent. They include, but are not limited to:

- School officials with legitimate educational interest.
- Accrediting organizations
- Licensing Boards or Certificate granting agencies.
- Specified officials for audit or evaluation purposes.
- In connection with financial aid the student has received or applied for, if the information is needed to determine the amount of aid, conditions for the aid, student’s eligibility for the aid, or to enforce the terms or conditions of the aid.
- To comply with a judicial order or lawfully issued subpoena.

- Other schools to which a student is transferring.
- To employees of US Dept. of Education (USDE), Office of the Inspector General, and other federal, state, and local education authorities in connection with financial aid and for the enforcement of laws and regulations relating to aid.
- To authorized representatives of USDE to evaluate financial aid procedures using student information provided by schools selected for the study.
- To the Department of Homeland Security on an F, J, or M non-immigrant student in compliance with SEVIS. (Student and Exchange Visitor Information System)
- To the U. S. Attorney General or his designee in response to an *ex parte* order in connection with the investigation of a crime of terrorism. An *ex parte* order is an order issued by a court without notice to the adverse party. The school is not required to record the disclosure of information from the student's education record or notify the student's education record or the student.
- Appropriate officials in cases of health and safety emergencies.
- To the parents if the student is a dependent student under IRS laws. For IRS purposes, students are dependent if they are listed as dependents on their parent's income tax returns and parents may obtain the student's education records. Parents do not have the right to amend or provide consent for the release of such records if the student is over 18. A Parent or Guardian may have access to the student's file if the student is a dependent minor.

The Director has the right to dismiss or suspend a student for not following academy policy. Remember: When in doubt: dress UP, not DOWN!

The Academy has available a phone number for Apartment Search in the area. The staff will be happy to assist the student, as much as possible with housing information. For students without their own vehicle, the Kansas City Metro Bus Line travels through Independence. Taxi and Uber service is available. Transportation costs per five-day week for commuting students will vary, approximately, from \$10.00 for a student living in Independence to \$45.00 for a student driving from a longer distance.

ATTENDANCE, TARDIES & ABSENCES

Students are expected to be in attendance every day in order to fully take advantage of the education for which they enrolled. Minimum attendance average, to maintain Satisfactory Academic Progress and for financial aid students to remain eligible for financial aid, is 75%. Per the US Department of Education, students must complete within 1 1/3 times the length of their course (Maximum Time Frame). It is the responsibility of the student to time in and out at the appropriate times. If an error occurs, the student is given limited opportunity to correct it. Each student may time only him or herself IN and OUT. Habitual or serious violations of attendance policies may result in suspension and/or termination.

Students are allowed a designated number of absent hours, per course, before being charged extra tuition/overage fees. If a student is suspended due to a violation of rules and/or policies, the time missed may be counted as absent time. Students may choose to take a 30 minute lunch or no lunch at all to make up absent hours. Absences not made up during lunch are made up at the end of the course. If a student misses too much of any basic class, his/her training may be interrupted (Administrative Suspension) until the next available class. In some circumstances the student may have to terminate and re-enroll when the required segment is available again.

A leave of absence, jury duty, bad weather or other unexpected closings will extend the graduation date and are NOT counted as absent time.

LEAVE OF ABSENCE

If a student needs to be absent for an extended period of time s/he may qualify for a Leave of Absence (LOA). The following policy must be followed.

1. A student may apply for a leave of absence on a form supplied by the Academy.
2. The leave request must include a start and end date and a signature.
3. The reason for the leave may be for a medical purpose, personal business and Covid-19 leave and must be stated.
4. Financial Aid loan disbursements may NOT be made while a student is on leave.
5. A Personal leave cannot exceed 4 weeks/20 school days.
6. A Medical leave cannot exceed 4 weeks/20 school days. It may only be used for the student, an immediate family member, or someone the student lives with. Medical proof must be supplied as documentation.
7. A student will not be granted an LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 calendar days in any 12-month period. The only exception permitted to exceed this timeframe would be for a COVID-19 leave.
8. Only one Personal leave, Medical leave and Covid-19 leave can be granted within a twelve-month period. They may be combined if the student qualifies for both types.
9. A leave begins when the student requests in writing the dates they will not be able to attend. A verbal request may be made but must then be put in writing as soon as possible. In the case of an emergency, a leave can be requested on the student's behalf. The Academy will document the given emergency reason for the Leave. The institution will collect the request from the student at a later date. The start

date of such a leave will be the first date the student was unable to attend due to the emergency.

10. If a student uses less than the maximum LOA time allowed, the remaining LOA allowed time expires when the student returns to school from the LOA.
11. A leave will extend the student's graduation date (the Enrollment Agreement completion date) and the maximum time to complete the course by the same number of calendar days taken in the leave. The student and a staff member must sign an addendum to the Enrollment Agreement when s/he returns.
12. A student on an approved leave is not considered withdrawn from the school. There is no additional charge involved and no refund calculation is required at that time.
13. A student, who does not return to school on the expiration date of a leave (or does not call in absent) is considered to have terminated from the college. The last recorded date of attendance is considered to be the date the student terminated for purpose of calculating a refund.
14. A leave can be refused due to a conflict of interest with financial funding, a conflict with class schedule or validity of the leave. There can be no back dated leaves.
15. The student may return early if desired.

STANDARDS OF PROGRESS, ADVISING AND GRADING

Grade records are kept for each student. Students are graded on written (theory) and practical work. Written tests are given over the theory subjects as they are covered. Tests occur approximately once a week.

Students are given the opportunity to improve scores. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course.

Each completed project is initialed by an Instructor. Designated projects must be graded before the project can be signed off. The Student is given a grade on each completed Project Sheet. Seventy percent is passing on both the written and practical scores. Students receive two copies of an evaluation report monthly, defining attendance, grade point average, services completed, and chapter scores. One copy must be signed, returned, and is placed in the student's file. Students are assigned to an Instructor for advising and to turn in weekly Time Sheets. Students are advised by any staff member, as necessary, regarding grades, attitude, attendance

and appearance.

Grades are recorded as follows:	Excellent	94-100	<i>Satisfactory</i>	70-77
	Very Good	86-93	Failing	69 & below
	Good	78-85		

SATISFACTORY ACADEMIC PROGRESS POLICY

This policy is provided to enrollees via the catalog prior to signing the Enrollment Agreement.

1. In order for all students to “maintain satisfactory academic progress” and remain eligible for financial aid, they must:

- A) Maintain a cumulative attendance average of 75% of the clock hours for which they contracted.
- B) Maintain a cumulative, combined written and practical grade average of 70%.

Written tests are given over the theory subjects as they are covered. Tests occur approximately once a week. Practical project sheets are assigned to determine progress and advancement of the student in the techniques and skills of their chosen course. Each completed project is initialed by an Instructor. Designated projects must be graded before the project can be initialed. The Student is given a grade on each completed Project Sheet. Seventy percent is passing on both the written and practical scores.

Grades are recorded as follows:	Excellent	94-100	<i>Satisfactory</i>	70-77
	Very Good	86-93	Failing	69 & below
	Good	78-85		

2. Maximum Time Frame

Students must complete their course within 11/3 times the length of the course in order to remain eligible for financial aid. The maximum time to complete each course for Satisfactory Academic Progress is stated below:

Course	Length	Maximum Time Allowed	
		Weeks	Scheduled Hours
Cosmetology	(Full time, 35 hrs/wk) - 1,500 hours	57	1995
Cosmetology	(Part time, 23 hrs/wk) - 1,500 hours	87	1995
Esthetics	(Full time, 35 hrs/wk) - 1,125 hours	43	1496.25
Continuing Education	(Full time, 35 hrs/wk) - 75 hours	3	99.75
Instructor Training	(Full time, 35 hrs/wk) - 600 hours	23	798
Instructor Training	(Part time, 23 hrs/wk) - 600 hours	35	798

3. Students meeting satisfactory academic progress requirements at evaluation check points* are considered to be making satisfactory progress, and meeting the maximum time frame requirement, until the next evaluation. The Academy uses 910 hours as an academic year. Students receive written notification of their status after reaching each evaluation check point.

* Evaluation Check Points

Scheduled time is what the student *could* have earned by a specific time frame. Actual time is what the student has actually completed (not counting absent time).

Cosmetology Students are evaluated at 455, 910 and 1205 actual hours.

Esthetics Students are evaluated at 455, 910 and 1,018 actual hours.

Continuing Education Students are evaluated at 37 actual hours.

Instructor Training Students are evaluated at 300 actual hours.

A student who does not complete within the Maximum Time Frame check points is not making satisfactory

academic progress and is no longer eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.

4. A student who has returned from an interruption in their training (ex. Leave of Absence or termination and re-enrollment) shall be placed in the same satisfactory academic progress status as prior to their interruption. The course completion time will be extended, if applicable. (A Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken on leave.) Course incompletes, repetitions, and non-credit remedial courses have no effect upon the satisfactory academic progress standards.

5. A student whose satisfactory academic progress percentage falls below the required minimums is notified in writing and is placed in a **WARNING** status until the next evaluation. Students may re-establish satisfactory academic progress and Title IV aid, if applicable, by improving cumulative test scores and/or improving cumulative attendance to meet the minimum academic and/or attendance requirements by the end of the warning period, probationary period, or period where the student has been deemed not making satisfactory academic progress. A student placed on warning may still receive any Title IV funds that s/he may be eligible for. If the student meets the requirements at the next evaluation, s/he is considered to be making satisfactory progress once again.

6. Failure to raise the averages to the required level(s) by the next evaluation means the student is not making satisfactory academic progress and is not eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.

7. A student may qualify for **PROBATION**, to have Title IV Financial Aid funds reinstated, if they prevail upon **APPEAL** the negative progress determination. To prevail upon appeal, the student must: a) provide a written appeal of the negative progress determination within 5 school days and b) provide a plan that details how s/he will be able to meet satisfactory academic progress by the end of the next evaluation period. Students may only make an appeal for these reasons: a) death of a close relative, b) serious injury or illness of the student, or c) other allowable special circumstances. The written appeal must include the reason the student failed to make satisfactory academic progress, any documentation supporting this reason and what has changed that will allow the student to achieve satisfactory academic progress by the next evaluation.

8. An appeal hearing will take place within ten (10) days of receipt of the written appeal. The Academy will determine if the student can meet satisfactory academic progress standards by the next evaluation. A decision on the appeal will be made within three (3) school days and will be communicated to the student in writing. This decision will be final.

9. Successfully prevailing upon appeal will result in a status of **PROBATION** which allows Title IV Financial Aid to be immediately reinstated.

10. If the student fails to prevail upon appeal s/he will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.

11. Appeal documents and decisions are kept in the student financial aid file.

12. A student placed on an Academic Plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. A student who is progressing according to his/her specific academic plan will be considered making satisfactory academic progress and is eligible for financial aid.

13. Transfer hours are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours. Transfer hours are evaluated by the midpoint of contracted hours or by the above stated check points, whichever comes first.

REFUND POLICY

The following policy will apply to ALL terminations for any reason, by either party, including student or Academy decision, course cancellation or Academy closure. Any monies due the applicant or student shall be refunded within 30 calendar days of official cancellation or termination. The date of a withdrawal, whether officially or unofficially, shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate or the date a student is terminated by the Academy or the date it is determined that a student does not return after the expiration of a Leave of Absence or the date it is determined that a student has withdrawn without notification. (If a student is absent without notice, for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment, as is required by the State Board of Cosmetology and Barber Examiners. Refunds are calculated based on the student's last date of attendance and actual hours. Attendance is taken daily.

1. If a student (or in the case of a minor student, his or her parent or guardian) cancels his/her enrollment and requests his/her money back in writing, within three business days of signing the enrollment agreement regardless of whether the student has actually started training, all money collected by the Academy shall be refunded within 30 days. If a student cancels after three business days of signing, but prior to entering class, all monies will be refunded with 30 days. The official cancellation or withdrawal date will be determined by the earlier of the postmark on the written notification or the date said request is delivered to the Academy in person.

2. An applicant not accepted by the Academy is entitled to a refund, within 30 days, of all money paid.

3. For a student who terminates, or is terminated, after the start of classes, the following tuition adjustment is authorized: (Attendance time is defined as actual clock hours)

<u>Percentage of Course Completed</u>	<u>Amount Owed</u>	<u>Percentage of Course Completed</u>	<u>Amount Owed</u>
.01% to 4.9%	20%	15% to 24.9%	45%
5% to 9.9%	30%	25% to 49.9%	70%
10% to 14.9%	40%	50% and over	100%

4. The Academy's refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order: 1) To Federal Direct Student Loans (unsubsidized then subsidized 2) To a Federal Direct Plus Loan 3) To the Pell Grant 4) To the Supplemental Grant (SEOG) 5) To other Title IV Aid 6) To other Financial Aid 7) To the Student

5. Upon proof of illness or disabling accident, death in the immediate family, or other extreme circumstances beyond the control of the student, the Academy will make a settlement which is reasonable and fair to both.

6. If the terminating Student has opted to purchase textbooks and equipment from the Academy, they may not be removed from the premises until all money owed to the Academy has been paid. Textbooks, tools & equipment are non-returnable and non-refundable. A student who purchased textbooks and equipment elsewhere may remove them.

7. If a course is canceled after a student's enrollment, but before instruction has begun, the Academy shall, at its option, provide completion of the course or a full refund.

8. If a course is canceled after students have enrolled and instruction has begun, the Academy shall, at its

option, provide a pro-rata refund for students transferring to another school based on the hours accepted by the receiving school, or provide completion of the course, or participate in a Teach-Out agreement, or provide a full refund of all monies paid.

9. In the event that the Academy is permanently closed and no longer offers instruction after a student is enrolled and instruction has begun, the Academy shall, at its option, provide a pro-rata refund or participate in a Teach-Out agreement.

10. If an account must be turned over to a collections firm, the student will be charged all collection fees incurred.

11. The Enrollment Agreement signed prior to starting class constitutes a legal, binding contract even when Financial Aid funds do not cover the amount owed by the student.

RETURN OF TITLE IV FINANCIAL AID

Federal regulations require the return of portions of Title IV financial aid “unearned” by students who withdraw from classes or are terminated by the Academy. If the hours scheduled to complete by the student on his or her last date of attendance are less than 60 percent of the program hours in the payment period, a portion of aid awarded to the student is considered unearned and must be returned to its source.

To determine the basic amount that must be returned, the formula divides the number of hours the student was scheduled to complete by the total program hours in the payment period. The amount of financial aid awarded is multiplied by this percent and the result is subtracted from the Title IV aid awarded to determine the dollar amount to be refunded.

If 60 percent or more of the hours were scheduled to be completed, the student is considered to have earned 100 percent of the aid awarded for the period. There may be a gap between what the Academy may charge the student and the financial aid that is available to pay the charges after the Title IV funds are returned. Because of this, the student may be required to repay some of the funds received in addition to the amount the Academy must return.

The Academy’s refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order:

- | | |
|--|---------------------------------|
| 1. To the unsubsidized Federal Direct Student Loan | 5. To Supplemental Grant (SEOG) |
| 2. To the subsidized Federal Direct Student Loan | 6. To other Title IV Aid |
| 3. To the Federal Direct Plus Loan | 7. To other financial aid |
| 4. To the Pell Grant | 8. To the Student |

All refunds are made within 30 days of formal termination, cancellation by the student or determination by the Academy that the student has withdrawn without notification.

Direct Loan refunds are deposited back to the appropriate bank account, the Academy’s third party servicer is notified, who then notifies the Department of Education that those funds are available for retrieval and the borrower’s account is adjusted accordingly. The student receives documentation at their Exit Interview.

If it is determined that a withdrawn/terminated student qualifies for a post withdrawal loan disbursement, the Academy will notify the student in writing with the amount and type of financial aid loan disbursement. The withdrawn/terminated student is given a choice of accepting all the funds, accepting a portion of the funds or declining all the funds and requesting that the Academy return the balance to the appropriate financial aid source. If the student does not respond within 14 days the funds are returned to the original source.

If an overpayment of Pell Grant funds occurs after a student’s termination, the student will be informed in writing, within 30 days, and must make repayment arrangements of the Pell overpayment within 45 days. student will lose eligibility for additional Title IV funds.

The date of withdrawal/termination shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate, or the date a student is terminated by the Academy, or the date it is determined that a student does not return after the expiration of a Leave of Absence, or the date it is determined that a student has withdrawn without notification.

EMPLOYMENT ASSISTANCE (PLACEMENT)

The Academy provides access to information about salons and spas that are in need of an employee. The Academy keeps an Employment Opportunities notebook that contains information as to employment, location, salary, benefits, and work schedule. This service is available while a student is attending school and after graduation. It is recommended that each student visit salons and spas (unless they already have a job)* while they are attending school.

It is possible for students to have their place of employment secured before graduation. Students are given instruction on preparations of a resume, good business practices, and successful employment. The Academy cannot make any guarantees of employment or salary upon graduation. The Academy does not advertise job placement rates to attract prospective students. The Academy hosts a Career Fair to assist students in finding employment in the industry.

*Some students are sent for training by a future employer, a relative that owns a salon, or by a graduate of the Academy who benefited from the training they received and therefore recommended the Academy and feel sure they will employ this student.

STATE EXAMINATION

After completion of the training, graduates take a state examination required by the Missouri State Board of Cosmetology and Barber Examiners to qualify for a Missouri professional license. The Academy prepares the student for their state exam. The examination fee is \$138.00, payable by credit or debit card to PSI (the testing company administering the exam) when registering for the exam on-line. Graduates are responsible to provide any supplies needed to take their exam. The state examination, for the Cosmetology and Esthetics courses, consists of a practical skills test and a written test. The state examination for the Instructor Training course consists of a written test, lesson plans and observed demonstrations of teaching. Upon successfully passing the State Board of Cosmetology and Barber Examiners exam Instructors must pay \$30 to receive their initial professional license. Cosmetologists and Estheticians will receive their initial license with no extra fees.
