Part time attendance is defined as five days per week, four hours per day Tuesday through Friday from 8:30 a.m. to 12:30 p.m. and 7 hours on Saturday from 8:30 a.m. to 4:30 p.m. with a one-hour lunch on Saturday, equaling a 23 hour week. This Course is taught in English and is organized into 2 Phases of Instruction.

Phase 1 is the introduction of all Core subjects. The knowledge and skills that will help the student be prepared to perform all services when assigned to the student salon are presented within this phase. The Core subjects in Phase 1 originate from Pivot Point Fundamentals: Cosmetology and include core-related theoretical and practical topics.

During Phase 1(Weeks 1-8) students will gain theoretical and practical knowledge as applied to Pivot Point Fundamentals: Cosmetology which includes Long Hair, Hair Design, Science (Microbiology, Infection Control), Skin (Skin Care, Basic Facial, Hair Removal), Nails (Nail Theory, Natural Nail Care, Nail Products, Basic Manicure and Pedicure), Sculpture (Sculpture Theory, Tools and Essentials, Skills, Service, Cut the 4 Basic Forms), Science (Matter, pH, Hair Care Product Knowledge), Perm and Relaxer (Theory, Products and Essentials, Service) and Color (Theory, Design, Identifying Existing Hair Color, Non-Oxidative Color Products, Oxidative Color Products, Skills, Service). Students will perform workshops that correspond with the sections.

Phase 2 lasts 20 weeks. Students will attend theory class Tuesday-Friday from 8:30am – 9:30am. They will attend “Workshop” which is held every Tuesday-Friday from 9:30am-10:30am. For the remainder of the day and on Saturdays students will be eligible for guests on the Student Salon. Phase 2 is training which consists of theory, workshops that may or may not have been included in Phase 1, and training on the Student Salon. Once the 20 weeks is completed the student is then able to be scheduled with guests at 9:30am. If the student does not have a guest scheduled at 9:30am they will be required to attend Phase 2 workshops for that hour.

During the weeks remaining, students will attend theory class Tuesday-Friday from 8:30am-9:30am. The rest of the day they will be eligible for guests on the Student Salon.

Throughout the Course students will have mannequin work that includes preparation for the State Board of Cosmetology and Barber Examiners exam. Missouri State Law, as it pertains to our industry, is also included.

The Pivot Point coursebooks are available for use on-line and students are issued I-pads and log-in information to access the information.
