COURSE DESCRIPTION – Esthetics

The Esthetics Course is 1,125 hours. Attendance is defined as five days per week, seven hours per day, Tuesday through Saturday, 8:30 a.m. to 4:30 p.m. with a one-hour lunch break, equaling a 35 hour week. This is a complete course in skin care which also includes training in full body care. This Course is taught in English.

CIDESCO (Comite International D’Esthetique et de Cosmetologie) is the international organization for Estheticians who study skin care, full body care, make-up and natural nail care. This Academy follows a curriculum set forth by CIDESCO which is recognized worldwide. *Students are eligible to sit for the international CIDESCO exam after 1,200 hours. Students desiring to sit for the CIDESCO exam must also enroll in the Continuing Education Course for 75 hours. There is NO Charge for the 75 hours.*

The Esthetics course is divided into three class segments with student spa training after each class segment. The segments are as follows: **Segment A** covers numerous types of facials, **Segment B** covers full body massage, chair massage, body treatments, body machines and makeup, **Segment C** covers natural nail care, reflexology, hair removal, makeup and state law. These segments are taught in rotation and may be covered in any order depending on class start dates. The segments are delivered using lecture, PowerPoint presentations, DVDs and demonstrations in combination with practical experience. A designated part of each weekday is spent in theory class studying chapters over anatomy, human relations, chemistry, products & ingredients, psychology, salesmanship and self-improvement to name a few. Exams are given as subjects are covered. Students receive certificates of completion for segments of their training as they are earned.

EDUCATIONAL OBJECTIVES – Esthetics

At the completion of this course the graduate will be qualified to pass the Missouri State Board of Cosmetology and Barber Examiners exam and receive a Missouri professional Esthetician license enabling them to perform esthetic services required in the beauty salon or spa. The student will be able to analyze and treat various skin problems through the use of massages, machines and products. The student will be familiar with facial treatments, make-up techniques, microdermabrasion, hair removal techniques, and the business practices of a skin care operation. The student will be knowledgeable in treatments for the full body including massage, cellulite treatments, manicures and pedicures. The knowledge and skills will prepare graduates for work in the esthetics field as a facialist, masseuse, make-up artist, spa owner, spa products representative or spa manager. CIDESCO certification allows for work internationally.
