

HEERF II Grant

Summit Salon Academy Kansas City understands that many of our students are struggling financially due to the impact that the COVID-19 pandemic has had on our communities. For this reason, Summit Salon Academy Kansas City has established a Higher Education Emergency Relief Fund (HEERF II) Grant, funded by the recently passed Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) to assist students by providing necessary aid for individuals who are in financial need due to the coronavirus. The grant can be used to help students with food, housing, course materials, technology, health care and childcare.

To be eligible, the applicant must meet all the following requirements:

1. Be a currently enrolled student at Summit Salon Academy on or after 12/27/2020 in an on-campus certificate program.
2. Have a High School Diploma or GED.
3. Must be making Satisfactory Academic Progress
4. Be a U.S. Citizen or eligible noncitizen.
5. Experiencing unexpected financial hardship from COVID-19.
6. Have not previously received a HEERF II Grant.

Students who qualify for grant funds will be notified to pick up their grant check at the school within 15 days of receiving an approval email. Summit Salon Academy is committed to helping our students through this pandemic to achieve their academic goals.
