No person shall use articles designed for other purposes (i.e., belts, toys, combs, pencils, files, scissors, razors, etc.), to inflict bodily harm and/or intimidate and such use will be treated as the possession and use of a weapon. Any student who does not follow this policy may be suspended or terminated.

For students without their own vehicle, the Kansas City Metro Bus Line travels through Independence. Taxi and Uber services are available. STUDENT PARKING

Student parking is anywhere on campus, excluding the front parking lot, which includes the first 3 parking spots on the North side as you enter the lot off 23rd Street. These parking spots are reserved for our guests.

PHONES

Students are called to the business phone for emergencies only. Calls or messages for students are screened by a staff member prior to interrupting a class or guest service.

Cell phones may be used in the student salon for the purpose of taking guest photos for social media. Cell phones are allowed in the student lounge and should always be on vibrate. NO calls or texting in class or in the student salon. Students may not leave class to make or receive cell phone calls or texts unless it is an emergency.

LOCKERS

Lockers are provided for students' own equipment and personal property. Keep notebooks and books in lockers when not in use. Lockers and kits may be inspected at any time. Purses should be kept locked up. The school is not responsible for any lost or stolen articles. Tools/iPad/books lost or damaged must be replaced at the student's expense. Students are responsible for shared Academy equipment and their own personal property. You cannot legally perform services outside of the Academy. [20CSR 2090-11.010 Sanitation (2) G]

FRONT DESK

The front desk is a place of business. Making appointments for guests, checking the appointments you have for the day or selling products to your guest are the only reasons for you to be at the desk. Please do not hang out and get in the way of guests needing to do business.

STUDENT SALON

Your time in the Student Salon is meant to prepare you for building a clientele in your future salon or spa. Guests are your responsibility. We expect you to be on time, every day, ready to learn through classroom study and practical work. Students may not move appointments because they do not want to do a service. A student who refuses to do a guest must clock out and go home. A student may only be excused from providing a service to a guest by providing a specific Doctor's note which includes a reason for the exclusion. Religious/cultural accommodations will be allowed for predetermined special circumstances. Students must charge **all** guests for **all** services performed. Failure to do so is considered theft. If it is determined that the failure to charge for services is intentional, the student may be suspended. If pricing adjustments need to be made, please ask a staff member to do it.

When students are not giving a service to a patron, they are to be fulfilling requirements on their project sheets and/or practicing on each other. Project sheets provide the student's practical grade. Any student who gets behind on project sheets or makeup tests may not receive personal services until projects and/or tests are caught up.

PERSONAL SERVICES

Students are allowed personal services at discounted student pricing. **Student services MUST be scheduled and must be paid for in advance** as well as approved by your educator. Any changes to the initial service must be made in the computer system. Failure to pay for services or retail products is considered theft. If a student is involved in a theft, they may be suspended, and disciplinary procedures will be initiated. **Because of OSHA laws and requirements, only products chosen by the Academy with the required Material Safety Data Sheets (MSDS) can be used on customers or students.**

CLEAN UP DUTIES

Keeping the Academy clean is part of the training in how to keep a Beauty Salon or Spa clean and presentable to the public. State Law requires that students spend a designated amount of time performing sanitation and sterilization and is accounted for on the Time Sheet. Therefore, students are assigned a cleanup job to be performed daily for their full enrollment time. Personal work areas must be cleaned and kept neatly arranged during and after a service is completed. All equipment/products are to be cleaned and placed back in storage areas.

PROFESSIONALISM

Students are expected to follow all Academy policies, as they deal with the professional development of the student, which leads to a highly successful career in our industry. Students are expected to participate in all classroom and clinic activities. A student may only be excused from participating in class by providing a specific Doctor's note which includes a reason for the exclusion. (Religious/cultural accommodations will be allowed for predetermined special circumstances.) Violations of policies may result in disciplinary action, suspension and/or termination. Time missed for suspensions will be counted as absent. Students are expected to be friendly, to show respect and consideration for others.

Eating and drinking are permitted in the lounge only. No eating/drinking on the student salon or in the classroom. Smoking is permitted outside and only on the West side of the building.

APPAREL CODE

The Academy apparel is solid black scrubs for all programs. Your scrubs must be completely black with **no logos, colored designs or branding** outside of the Academy name. All students will wear their black aprons over their black scrubs. A name badge is provided and is to be always worn. If it is lost, the student must pay for a replacement badge. Academy wear is allowed to be worn.

Shoes must be black, gray, or white, clean, polished with no scuffs. Open-toed shoes are not allowed. Socks must be black. A black under shirt can be worn under your scrub top. Scrubs must be in good condition, clean and wrinkle-free and fit properly.

The following items cannot be worn, hooded sweatshirts over or under your scrub top, low cut tops, and biker shorts. Makeup applications for students must be applied daily prior to entering the Academy. The student clocks in for the day in full dress code with hair and make-up finished. Hair must be clean, dry, and finished in a style. No hats or caps. Hair accessories are acceptable. Be creative with jewelry.

Any student not meeting dress code requirements (as determined by the staff) will not be allowed to earn future hours. Absence time will be counted and documented in the student file. If there is a second violation the student will be sent to the Academy Director to have a conversation about their commitment to the program. The Director has the right to dismiss or suspend a student for not following the Academy policy. Remember: When in doubt: dress UP, not DOWN!

Fingernails - (Male and Female) Cosmetologists' nails should be kept manicured and presentable to the public. Nails are to be kept at a manageable length so all services can be performed without interference. CIDESCO requires that Estheticians "Fingernails should be kept clean and short to allow easy cleaning. Nail enamel should not be worn." [CIDESCO Hygiene Guidelines; Section 3.2 General Hygiene]

TIME CLOCK

It is the **responsibility of the student** to successfully time in and out at the appropriate times (arrival, lunch out, lunch in, exit). Each student may time only him or herself IN and OUT. A student is allowed a 30 min lunch each day and must clock out for this lunch as well as notify the front desk to block them out for their lunch. If a student is on the clock, they are available for guest services and to help with anything an instructor needs. Failure to time in and out for the day, break in and out for lunch, or leave campus while clocked in could result in not receiving credit for those hours and possible suspension time.

It is the student's responsibility to review their FAME mobile student app daily and to notify their educator of any time discrepancies. Hours are available for verification and correction for one week (unless the student is absent for that week.) After the available week the hours are posted and may not be changed. Violations of attendance policies may result in a write up, suspension or termination. Also, to qualify for CIDESCO, the student must graduate from our esthetics program with a minimum 85% GPA and minimum 85% attendance averages. To graduate from the Academy, you must have a minimum GPA of 80% and a minimum attendance average of 75%.

HOURS

Students need to be in the building ready to go by 9:00am (daytime program) 5:30pm (evening program). There is a small 15-minute grace period. School is dismissed at 4:30pm (daytime program) 9:30pm (evening program). Students may not leave the premises without permission and without timing out. Students are allowed a 15-minute break in the morning and 15 minutes again in the afternoon (daytime program). If a student will be late, or absent, they must call or text **816-252-4247 before 9:00am (daytime program) 5:30pm (evening program)**. The Academy requires the student to fill out a Leave Early Form, found at the front desk, and then hand it to their educator. This request must be signed by an Educator. Approval is based on the student's previous attendance. If a student is absent without notice for 2 weeks, the Academy is required by the State Board of Cosmetology and Barber Examiners to terminate the student's enrollment. [20CSR2085-12.010 (9)(C)1.] If a student misses too much of any basic class, his/her training may be interrupted (Administrative Suspension) until the next available class. This ensures the student's competency before moving into the next segment of training. On some occasions the student may have to terminate and re-enroll when the required segment is available again. Students are not counted absent for jury duty, a Leave of Absence or if the Academy closes due to weather or other unexpected closings. The scheduled graduation date will be extended.

NO CALL/NO SHOWS

If the student does not call or text on or before 9:00am (daytime program) 5:30pm (evening program), they will be recorded as a "No Call/No Show." However, if the student arrives and checks in on or before 9:15am (daytime program) 5:45pm (evening program) they will not receive a "No Call/No Show". After three (3) "No Call/No Shows" a **written warning** will occur and become part of the student's permanent file. After three (3) more "No Call/No Shows" a **second written warning** will occur AND the student could be suspended for one day. Absent time would count. After three (3) more "No Call/No Shows" the student will receive a third written warning and their enrollment could be **terminated**. (The student may re-enroll after 3 months.) The student must provide phone records (in a timely manner) if there is a dispute about a No Call/No Show finding.

ATTENDANCE, TARDIES AND ABSENCES

Students are expected to be in attendance every day to fully take advantage of the education for which they enrolled. The minimum attendance average, to maintain Satisfactory Academic Progress and for financial aid students to remain eligible for financial aid, is 75%. Per the US Department of Education, students must complete within 1 1/3 times the length of their course (Maximum Time Frame). It is the responsibility of the student to time in and out at the appropriate times. If an error occurs, the student is given limited opportunity to correct it. Each student may time only him or herself IN and OUT. Habitual or serious violations of attendance policies may result in suspension and/or termination. If a student is absent without notice for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment, as is required by the State Board of Cosmetology and Barber Examiners.

If a student is suspended due to a violation of rules and/or policies, the time missed may be counted as absent time. If a student misses too much of any basic class, his/her training may be interrupted (Administrative Suspension) until the next available class start. In some circumstances the student may have to terminate and re-enroll when the required segment is available again.

A leave of absence, jury duty, bad weather or other unexpected closings will extend the graduation date and are NOT counted as absent time.

LEAVE OF ABSENCE

If a student needs to be absent for an extended period s/he may qualify for a Leave of Absence (LOA). The following policy must be followed.

1. A student may apply for a leave of absence on a form supplied by the Academy.
2. A request for a leave must be submitted to Administration and will be reviewed on a case-by-case basis.
3. A leave will only be granted for extreme situations approved by Administration.
4. Financial Aid loan disbursements may NOT be made while a student is on leave.
5. A student will not be granted an LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 calendar days in any 12-month period.
6. A leave begins when the student requests in writing the dates they will not be able to attend. A verbal request may be made but must then be put in writing as soon as possible. In the case of an emergency, a leave can be requested on the student's behalf. The Academy will document the given emergency reason for the Leave. The institution will collect the request from the student at a later date. The start date of such a leave will be the first date the student was unable to attend due to the emergency.
7. A leave will extend the student's graduation date (the Enrollment Agreement completion date) and the maximum time to complete the course by the same number of calendar days taken in the leave. The student and Administration must sign an addendum to the Enrollment Agreement when s/he returns.
8. A student on an approved leave is not considered withdrawn from the school. There is no additional charge involved and no refund calculation is required at that time.
9. A student, who does not return to school on the expiration date of a leave (or does not call in absent) is considered to have terminated from the Academy. The last recorded date of attendance is considered to be the date the student terminated for purpose of calculating a refund.
10. A leave can be refused due to a conflict of interest with financial funding, a conflict with class schedule or validity of the leave. There can be no back dated leaves.
11. The student may return early if desired.

DISCIPLINARY PROCEDURE

Improper conduct or failure to follow school policies and procedures, whether written or verbal, may result in suspension, dismissal, or termination. Absent time from a suspension will count.

1. Any conduct which disrupts the teaching or administrative activities of the Academy, any defamatory (malicious, injurious to reputation or false) remarks, whether written or verbal will not be allowed.
2. Violation of school policy or any conduct which disrupts the teaching or administrative activities of the school could result in suspension or termination.
3. Any disruption of clinic services may be cause for immediate suspension.
4. Any student refusing to participate in required school activities may be suspended or terminated.
4. If a student violates school policies a counseling sheet may be written on the student by a Staff member. A copy of the counseling sheet is given to the student.
5. After three counseling sheets have been written the student will be suspended. S/He will have 5 school days to write a letter to the Academy requesting that s/he be allowed to return.
6. The Academy will respond, within 5 school days, with an appointment for the student and their spouse and parents.
7. A discussion will also be held by the Director and Instructors or Staff.
8. The student will be notified of the decision made within 5 school days. The decision is final.
9. If the student is allowed to return, the Academy will give him/her a date to return.
10. If the student is terminated s/he must take care of any outstanding balance owed to the Academy, and the paperwork needed to terminate.
11. Mitigating circumstances may be considered on any disciplinary decisions.

STUDENT CONDUCT / WITHDRAWAL / TERMINATION POLICY

Students may be suspended or terminated from school if they violate the policies and procedures. All Policies and Procedures published within this catalog are explained thoroughly to students. If a student's conduct or grades do not meet the rules, regulations, or requirements of the Academy, a meeting will be held with the student. The student is given an opportunity and reasonable time to correct the problem. If the student does not correct his/her individual shortcoming, she/he may be terminated. If an account must be turned over to a collections firm, the student will be charged the collection fees. If a student is absent without notice, for 2 weeks (14 calendar days), the Academy will terminate the student's enrollment.

The Academy does not publish a directory of student information.

Student files are property of the Academy. However, students have the right to inspect and review education records maintained by the Academy. The Academy may charge a fee for copies. Student files are maintained for a minimum of ten years.

3. Students meeting satisfactory academic progress requirements at evaluation check points* are considered to be making satisfactory progress, and meeting the maximum time frame requirement, until the next evaluation. The Academy operates all programs according to a 900-clock hour academic year over 26 academic weeks of instruction. Students receive written notification of their status after reaching each evaluation check point.

*Evaluation Check Points

Scheduled time is what the student could have earned by a specific time frame. Actual time is what the student has completed (not counting absent time). Students are evaluated on the following actual hours, once the associated minimum weeks have also been completed.

Cosmetology Students are evaluated at 450 hours/13 weeks, 900 hours/26 weeks, and 1200 hours/34 weeks.

Esthetics Students are evaluated at 350 hours/10 weeks, 750 hours/22 weeks.

Instructor Training Students are evaluated at 300 hours/8 weeks.

A student who does not complete within the Maximum Time Frame is terminated.

4. A student who has returned from an interruption in their training (ex. Leave of Absence or termination and re-enrollment) shall be placed in the same satisfactory academic progress status as prior to their interruption. The course completion time will be extended, if applicable. (A Leave of Absence will extend the student's contract period and maximum time frame by the same number of days taken on leave.) Course incompletes, repetitions, and non-credit remedial courses have no effect upon the satisfactory academic progress standards.
5. A student whose satisfactory academic progress percentage falls below the required minimums is notified in writing and is placed in a WARNING status until the next evaluation. Students may re-establish satisfactory academic progress and Title IV aid, if applicable, by improving cumulative test scores and/or improving cumulative attendance to meet the minimum academic and/or attendance requirements by the end of the warning period, probationary period, or period where the student has been deemed not making satisfactory academic progress. A student placed on warning may still receive any Title IV funds that s/he may be eligible for. If the student meets the requirements at the next evaluation, s/he is considered to be making satisfactory progress once again.
6. Failure to raise the averages to the required level(s) by the next evaluation means the student is not making satisfactory academic progress and is not eligible for Title IV Financial Aid assistance. The student will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.
7. A student may qualify for PROBATION, to have Title IV Financial Aid funds reinstated, if they prevail upon APPEAL the negative progress determination. To prevail upon appeal, the student must: a) provide a written appeal of the negative progress determination within 5 school days and b) provide a plan that details how s/he will be able to meet satisfactory academic progress by the end of the next evaluation period. Students may only make an appeal for these reasons: a) death of a close relative, b) serious injury or illness of the student, or c) other allowable special circumstances. The written appeal must include the reason the student failed to make satisfactory academic progress, any documentation supporting this reason and what has changed that will allow the student to achieve satisfactory academic progress by the next evaluation.
8. An appeal hearing will take place within ten (10) days of receipt of the written appeal. The Academy will determine if the student can meet satisfactory academic progress standards by the next evaluation. A decision on the appeal will be made within three (3) school days and will be communicated to the student in writing. This decision will be final.
9. Successfully prevailing upon appeal will result in a status of PROBATION which allows Title IV Financial Aid to be immediately reinstated.
10. If the student fails to prevail upon appeal s/he will be notified in writing and must make arrangements to pay the Academy by other means in order to remain enrolled.
11. Appeal documents and decisions are kept in the student financial aid file.
12. A student placed on an Academic Plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. A student who is progressing according to his/her specific academic plan will be considered making satisfactory academic progress and is eligible for financial aid.
13. Transfer hours are counted as attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours. Transfer hours are evaluated by the midpoint of contracted hours or by the above stated check points, whichever comes first.

REFUND POLICY

The following policy will apply to ALL terminations for any reason, by either party, including student or Academy decision, course cancellation or Academy closure. Any monies due the applicant or student shall be refunded within 30 calendar days of official cancellation or termination. The date of a withdrawal, whether officially or unofficially, shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate or the date a student is terminated by the Academy or the date it is determined that a student does not return after the expiration of a Leave of Absence or the date it is determined that a student has withdrawn without notification. (If a student is absent without notice, for 2 weeks (14 calendar days), the Academy will terminate the student’s enrollment, as is required by the State Board of Cosmetology and Barber Examiners. Refunds are calculated based on the student’s last date of attendance and actual hours. Attendance is taken daily.

1. If a student (or in the case of a minor student, his or her parent or guardian) cancels his/her enrollment and requests his/her money back in writing, within three business days of signing the enrollment agreement regardless of whether the student has started training, all money collected by the Academy shall be refunded within 30 days, except the \$25 application fee. If a student cancels after three business days of signing, but prior to entering class, all monies will be refunded within 30 days, except for the \$25 application fee. The official cancellation or withdrawal date will be determined by the earlier of the postmark on the written notification or the date said request is delivered to the Academy in person.
2. An applicant not accepted by the Academy is entitled to a refund, within 30 days, of all money paid, except for the \$25 application fee.
3. For a student who terminates, or is terminated, after the start of classes, the following tuition adjustment is authorized: (Attendance time is defined as actual clock hours)

Percentage of Course Completed	Amount Owed	Percentage of Course Completed	Amount Owed
.01% to 4.9%	20%	15% to 24.9%	45%
5% to 9.9%	30%	25% to 49.9%	70%
10% to 14.9%	40%	50% and over	100%

4. The Academy’s refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order:
 1. To Federal Direct Student Loans (unsubsidized then subsidized)
 2. To a Federal Direct Plus Loan
 3. To the Pell Grant
 4. To the Supplemental Grant (SEOG)
 5. To other Title IV Aid
 6. To other Financial Aid
 7. To the Student
5. Upon proof of illness or disabling accident, death in the immediate family, or other extreme circumstances beyond the control of the student, the Academy will make a settlement which is reasonable and fair to both.
6. If the terminating Student has opted to purchase textbooks and equipment from the Academy, they may not be removed from the premises until all money owed to the Academy has been paid. Textbooks, tools and equipment are non-returnable and non-refundable. A student who purchased textbooks and equipment elsewhere may remove them.
7. If a course is canceled after a student’s enrollment, but before instruction has begun, the Academy shall, at its option, provide completion of the course or a full refund.

8. If a course is canceled after students have enrolled and instruction has begun, the Academy shall, at its option, provide a pro-rata refund for students transferring to another school based on the hours accepted by the receiving school, or provide completion of the course, or participate in a Teach-Out agreement, or provide a full refund of all monies paid.
9. In the event that the Academy is permanently closed and no longer offers instruction after a student is enrolled and instruction has begun, the Academy shall, at its option, provide a pro-rata refund or participate in a Teach-Out agreement.
10. If an account must be turned over to a collections firm, the student will be charged all collection fees incurred.
11. The Enrollment Agreement signed prior to starting class constitutes a legal, binding contract even when Financial Aid funds do not cover the amount owed by the student.

RETURN OF TITLE IV FINANCIAL AID

Federal regulations require the return of portions of Title IV financial aid “unearned” by students who withdraw from classes or are terminated by the Academy. If the hours scheduled to complete by the student on his or her last date of attendance are less than 60 percent of the program hours in the payment period, a portion of aid awarded to the student is considered unearned and must be returned to its source.

To determine the basic amount that must be returned, the formula divides the number of hours the student was scheduled to complete by the total program hours in the payment period. The amount of financial aid awarded is multiplied by this percent and the result is subtracted from the Title IV aid awarded to determine the dollar amount to be refunded.

If 60 percent or more of the hours were scheduled to be completed, the student is considered to have earned 100 percent of the aid awarded for the period. There may be a gap between what the Academy may charge the student and the financial aid that is available to pay the charges after the Title IV funds are returned. Because of this, the student may be required to repay some of the funds received in addition to the amount the Academy must return.

The Academy’s refund policy for the return of unearned tuition or other refundable portion of costs paid to the Academy is made in the following order:

1. To the unsubsidized Federal Direct Student Loan
2. To the subsidized Federal Direct Student Loan
3. To the Federal Direct Plus Loan
4. To the Pell Grant
5. To Supplemental Grant (SEOG)
6. To other Title IV Aid
7. To other financial aid
8. To the Student

All refunds are made within 30 days of formal termination, cancellation by the student or determination by the Academy that the student has withdrawn without notification.

Direct Loan refunds are deposited back to the appropriate bank account, the Academy’s third-party servicer is notified, who then notifies the Department of Education that those funds are available for retrieval and the borrower’s account is adjusted accordingly. The student receives documentation at their Exit Interview.

If it is determined that a withdrawn/terminated student qualifies for a post withdrawal loan disbursement, the Academy will notify the student in writing with the amount and type of financial aid loan disbursement. The withdrawn/terminated student is given a choice of accepting all the funds, accepting a portion of the funds, or declining all the funds and requesting that the Academy return the balance to the appropriate financial aid source. If the student does not respond with 14 days, the funds are returned to the original source. If an overpayment of Pell Grant funds occurs after a student's termination, the student will be informed in writing, within 30 days, and must make repayment arrangements of the Pell overpayment within 45 days. Upon receipt of the repayment, the Academy will forward the funds to the Department of Education. If the student fails to make repayment arrangements, the Academy will refer the student to the Department of Education. The student will lose eligibility for additional Title IV funds.

The date of withdrawal/termination shall be the earlier of the date the student notifies the Academy that he/she wishes to terminate, or the date a student is terminated by the Academy, or the date it is determined that a student does not return after the expiration of a Leave of Absence, or the date it is determined that a student has withdrawn without notification.

EMPLOYMENT ASSISTANCE (PLACEMENT)

The Academy provides access to information about salons and spas that are in need of an employee. It is recommended that each student visit salons and spas (unless they already have a job) * while they are attending school.

It is possible for students to have their place of employment secured before graduation. Students are given instruction on preparations of a resume, good business practices, and successful employment. The Academy cannot make any guarantees of employment or salary upon graduation. The Academy does not advertise job placement rates to attract prospective students. The Academy hosts a Career Fair to assist students in finding employment in the industry.

*Some students are sent for training by a future employer, a relative that owns a salon, or by a graduate of the Academy who benefited from the training they received and therefore recommended the Academy and feel sure they will employ this student.

STATE EXAMINATION

After completion of the training, graduates take a state examination required by the Missouri State Board of Cosmetology and Barber Examiners to qualify for a Missouri professional license. The Academy prepares the student for their state exam. The examination fee is \$146.00, payable by credit or debit card to Prov (the testing company administering the exam) when registering for the exam on-line.
